Agri-Urban Buildings Inc.
1123 North St. PO Box 1000
Dresden ON N0P 1M0

Dear Mr. Timmermans,

I am pleased to provide the following comments of professional reference for Agri-Urban Buildings Inc. (AUBI).

I had the opportunity to oversee a 6M construction project on behalf of Union Gas Ltd. Corporate Real Estate Services throughout 2016 where AUBI was the General Contractor. The quality of the workmanship was excellent, and the project was delivered on time and on budget.

The AUBI staff were extremely knowledgeable and friendly to work with, and the contract was well managed. AUBI ensured the timely and accurate delivery of all shop drawings, requests, responses, change orders and invoices. Additionally, the tight construction schedule was well executed, including the procurement of long lead time and special order items. Finally, the jobsite was professionally managed, with excellent housekeeping and subtrade coordination by the Site Superintendent.

AUBI demonstrated a continued dedication to Union Gas and the project throughout construction and closure, and was prompt in responding to post-occupancy inquiries as they arose. Based on my experience, I would invite AUBI to participate in future Union Gas projects.

Regards,

Shellie Chowns
